ABOUT THE COLLEGE

Govt. Digvijay Autonomous P.G. College, Rajnandgaon, C.G. was founded in 1957 with a large campus of 10 acres. The college has been taken over by Government on August 1973. This College is live example of historical and cultural heritage. The beautiful palace of King Digvijay Das, who donated the palace for higher education of students. This is situated in between two lakes. An added beauty of this college is the mixture of urban, tribal and rural students. After nearly 59 years of existence, it has now more than 4000 students enrolled in Arts, Commerce, Science and Computer. Presently here 44 UG programmes and 19 PG programmes are running. The reputed companies of the country are coming for campus interviews every year shows the quality education of the college. The College has been awarded status of "College with Potential for Excellence (CPE)" from UGC. Library with modern facilities including e-library and internet connectivity is yet another attraction of this college. The College is well known in Chhattisgarh for the outstanding performance of the students in extra-curricular, sports activities and competitions.

DEPARTMENT AT A GLANCE

Botany Department was established in 1957 and PG course was started in 1987 in the department. The Department of Microbiology was introduced in 2013 with UG programme and PG programme is started in 2015 under self finance scheme. The Department is also providing consultancy services to various schools, society and farmers. The Department also have collaborative linkages with other institutes. The achievements of the students have been noteworthy in bringing laurels to the institution.
